RE: Coronavirus Update #13 – Be Alert!

Thank you for your cooperation during the temperature checks conducted yesterday at the Bay Club! All went well with 95% of residents having their temperature taken and everyone is well! We do not have any specific concerns at this time, and conducting the temperature checks gives us an opportunity to see all of you and ensure you are doing fine. We will begin the process at Jacaranda Trace Thursday, the 2nd of April, and then every Thursday thereafter. If you are concerned you have a temperature or are feeling ill do not hesitate to see Martha or the concierge staff. We will perform checks again at SBC on Monday, March 30th, and then every Monday thereafter. We appreciate your understanding as we implement procedures in an effort to keep you and our staff healthy and safe. We are happy to report that everything with our internal operations remains status quo.

As of this time we do not have any residents, staff, nor family members of staff, having any symptoms, tested positive or presumptively positive for COVID-19.

If at any time you are not feeling well or think you may have a temperature, please don't hesitate to call us!

ALERT! ALERT! ALERT! ALERT! ALERT! ALERT!

As a reminder, it is important to **immediately** notify us if you have had any family or have been in contact with **anyone** within the last 14 days with a fever or any symptoms who may or may have not been tested for COVID-19. If you are contacted by ANY Health Department, you need to self-isolate and contact us immediately! Regardless of the day or time, immediately contact one of the following:
