RE: Coronavirus Update # 11 -Food Deliveries from Local Restaurants/Publix

Sarasota Bay Club will be accepting food deliveries at the Concierge Desk of both The North and South Towers and notifying residents once their food has arrived. Concierge will call your unit and you can come down and pick-up the food. If additional assistance is required, Concierge will be able to deliver the order to your unit.

Publix grocery deliveries go through the Publix website and are delivered using an app/service called "Instacart". This service includes all departments of Publix such as household items as well as produce. You can use the Publix App on either your phone or your computer or **you may call the "Instacart" phone number at 1-888-246-7822**. There are limitations on the amount you can order on certain items such as toilet paper, meats, etc. and the app will let you know any items not available for delivery. <https://delivery.publix.com/>. We called Publix in Sarasota and Venice and confirmed this information.

The following delivery companies allow customers to setup accounts that save address, billing, and drop-off preference information for future purchases and have a wide range of restaurants and eateries included in their services.

Uber Eats - <https://www.ubereats.com/> Web order only
Grubhub - <https://www.grubhub.com/> Web order only
DoorDash - <https://www.doordash.com/> Web order only
Bitesquad - <https://www.bitesquad.com/> Web order only

Any Resident needing assistance in setting up an account with one of these delivery services, please call Frank Giannotti at 941-366-7667 ext. 333 for SBC and Ken Gustafson at 941-237-1662 at Jacaranda Trace on Tuesday. Frank and Ken will assist you where possible.
