THIS PARENT/GUARDIAN CONSENT FORM is being presented for consideration by the parent or legal guardian (referred to as "Parent/Guardian" or as "You") of a child under the age of 18 ("Child") for whom the Parent/Guardian would like to register to receive and make use of assessment and application services offered by The Enrollment Management Association. In order to register a Child to participate in The Enrollment Management Association's assessments and/or use any services offered by or through The Enrollment Management Association, the Child's Parent/Guardian must complete this Consent Form online. You may register and provide consent for more than one Child at a time to participate in The Enrollment Management Association's assessments and/or use any services offered by or through The Enrollment Management Association, so long as You are the Parent or Guardian of each Child registered. If You are registering more than one Child, this Consent Form and all Terms and Conditions set forth below apply to each and every Child that you register.

New Test Registration

Register for the SSAT in 6 simple steps! Read this page to be sure you have everything you need before you begin.

- 1. About You** 
First, we'll need to know if you will require any test accommodations when testing.
- 2. Finding a Test** 
Then, you will select when and where you would like to test.
- 3. Reporting** 
Next, select members of The Association's to receive your scores or designate a member school as an advisor who can view and forward your scores on your behalf.
- 4. Optional Add-Ons** 
Add a score alert so you'll know the moment your scores are available, order a printed score report, or purchase your writing sample to review what you wrote on test day!
- 5. Payment** 
If you have been provided a fee waiver by a member school, please have it ready. We accept Visa, MasterCard, and Discover.
- 6. All Done** 
Once your registration is confirmed, print your admission ticket and review what to bring (and what to leave at home) on test day.

i Things to Know:

- In general, indicate your **current grade** (not the grade to which you are applying)
- Students repeating a grade should indicate one grade below their current grade. This allows them to be compared to their new peers.
- It is permissible for students to select a grade other than their current grade to determine how they might perform at a different grade level.
- If you are still uncertain of which grade to indicate, contact a school to which you are applying.
