Review The Snapshot Agreement

The Snapshot Candidate Agreement (the "Agreement") sets forth the terms and conditions under which the Enrollment Management Association (the "Association") will allow a parent or legal guardian of a student to register the student to take the Character Skills Snapshot assessment (the "Snapshot"), and allow the student ("the "Candidate") to take the Snapshot. The Association requires that that the Candidate's parent or legal guardian acknowledge and accept the terms of this Agreement and read and explain it to the Candidate prior to the Candidate taking the Snapshot. The Snapshot is made available to Candidates exclusively under this Agreement, which constitutes a legally binding agreement between the Association, on the one hand, and Candidates and their parents or legal guardians, on the other hand. "You" as used in this Agreement refers to the parent or legal guardian of the Candidate.

In order to register the Candidate for the Snapshot, you must acknowledge and certify to the Association on behalf of yourself and the Candidate that you and the Candidate understand and accept the terms and conditions contained in this Agreement. At the time the Candidate takes the Snapshot, the Candidate will be required to electronically verify understanding and agree to the Student Integrity Statement. The Candidate will not be permitted to take the Snapshot if he or she does not agree to the verification prior to starting your scheduled assessment. In addition, at the time you register

Important: You need to scroll through the entire agreement before you can continue.
