What is the NCCGA?

The National Collegiate Club Golf Association is the governing body for non-varsity college golfers.

Who Plays?

Club golfers include men, women, grad students, former high school golfers, rec players, AJGA stars, and academic focused students...everyone! Average Scores: 70-110

Tournaments

The NCCGA hosts 1-3 weekend tournaments in 28 regions each semester. Tournaments are held at quality courses centrally located in each region.

All of our events are open to teams and individual competitors. The average cost for each tournament is \$90-\$110 for a 2 day event, range balls, cart, and tee gift.

National Championship

Each semester, the top teams and individuals in each region compete to become National Champs!

Championships are held at prestigious courses and have media coverage from Golf Channel, Skrtch and Global Golf Post.

Other Benefits

National support and discounts from organizations such as Cleveland, Srixon, Rapsodo, Imperial, and more! Internships, jobs, and networking for careers in golf otherwise.

Testimonial

"I was worried coming into school that I wouldn't be able to still play in golf tournaments. The NCCGA allows me to continue my passion for golf."
-Michael Savitt, Duke University-
