
Job Description

DarSalud is looking for a Family Nurse Practitioner with Endocrine experience!

DarSalud is looking for an experienced Family Nurse Practitioner who comes with several years of endocrine experience to join the team. Do you enjoy using a holistic approach to treat patients with chronic conditions? Are you wanting to expand your career with a clinic known to be the best in Tennessee? Have you been looking for opportunities to use your knowledge and skills to serve the city of Memphis? Then DarSalud could be your perfect fit!

DarSalud is a multi-specialty healthcare organization that opened its doors 14 years ago, and we have been disrupting the healthcare industry ever since. With our focus on guaranteeing that everyone receives quality healthcare, regardless of income, we have developed a holistic approach to patient and family care that has been consistently recognized for excellence and innovation.

Just a few of those recognitions include the NCQA Certified Patient Center Medical Home, NCQA Diabetes Recognition Program and Cardiovascular Center of Excellence for COHSEC. We have also been featured as a preferred cost-efficient model in a statewide BCBS newsletter. Through constant innovation, we continue to rise to the top of healthcare locally and nationally.

The ideal candidate will be a board-certified Nurse Practitioner or Physician Assistant with prior experience in Diabetes and obesity Management. Candidates with strong internal medicine backgrounds will be considered

The ideal candidate will serve as an integral member of our multidisciplinary healthcare team (physicians, APRN, nurses, nutritionists, exercise physiologist, psychologist, Optometrist, PharmD) to provide quality evidence based diabetes and obesity care to our patients

Job Requirements:

- Current, unrestricted Physician Assistant or Nurse Practitioner license in Tn
- Prior experience as APRN or PA in /Diabetes and obesity management but willing to consider Internal or Family Medicine, Primary Care with focus on chronic conditions
- Strong medical background and a desire to support our growing multi-specialty and multidisciplinary group.

Why you should choose DarSalud:

Financials:

- Competitive base salary + bonuses
- Health, Vision, and Dental Insurance
- CME Allowance
- Medical Malpractice Coverage
- STUDENT LOAN consolidation or cancellation opportunities
- Simple IRA with a 3% match, the highest match allowed
- NO STATE INCOME TAX and LOW COST OF LIVING

Non-Financial Benefits:

- Stability: DarSalud is a well-established practice with 14+ years

- Work/Life Balance: we provide flexibility and stability in schedules
- Exceptional Team Based approach in all aspects of clinical duties including an onsite pharmacy.
- Vacation Days
