**Willmes WP1500 press**

2-ton white, 4-ton red press

\$8,000

Bladder replaced in the early 2000's and has been routinely conditioned and in use until 2016.

Stored inside during winters and covered outdoors during the nicer months. 3-phase.

Has pressed roughly 100 tons/year over the past 15 years! Works very well!

Compressor not included, but negotiable if very interested.
