

Social Distancing Floor Sign Solutions

Color Reflections recognizes the need for proper social distancing signage/markings inside essential business that must remain open during these troublesome times. Floor signage is an excellent way to help organize customers and employees to ensure proper social distancing practices are followed. Clearly identifying spaces in and around high traffic areas and checkout lanes that are 6 ft apart and raise awareness to the issue at hand.

EASILY GUIDE YOUR CUSTOMERS AND EMPLOYEES TO FOLLOW SOCIAL DISTANCING BEST PRACTICES
