

Whitaker-Taylor Attains SAP® Gold Partner status

Atlanta, GA — October 4, 2018 — Whitaker-Taylor has attained gold level status in the SAP® PartnerEdge® program. The award recognizes Whitaker-Taylor's contributions as a service partner.

Gold Service partners help SAP customers design, implement and integrate SAP solutions; optimize business processes; and provide strategic business consultation. As an SAP partner, Whitaker-Taylor plays an active part in the support, customization and deployment of SAP solution-based systems.

SAP Gold Partners are recognized by the SAP PartnerEdge program as professionals delivering valuable solutions to SAP clients across the full lifecycle such as education, implementations and support. Whitaker-Taylor's SAP Gold Partner status was attained through a combination of consultant certifications, expertise recognition and client feedback.

Scott Burton, the President and CEO of Whitaker-Taylor, commented, "We are excited to achieve SAP's Gold Partner status. This Gold Partner status strengthens our partnership alignment and assurance to SAP's eco-system. We look forward to our increasing partnership with SAP as a software solution Gold Partner Status technology partner for our clients."

Whitaker-Taylor has been an SAP consulting partner since 2007. Through our client engagements, we have developed implementation methodologies and best practices, and brought unique value propositions to companies looking to migrate their HCM technology infrastructure to the cloud with SAP SuccessFactors solutions.

Whitaker-Taylor is headquartered in Atlanta, GA with an office in The Netherlands providing support to our clients across the globe. At Whitaker-Taylor we have the practical experience in SAP SuccessFactors Cloud solutions to deliver the expertise clients need when deploying these solutions. Whitaker-Taylor designs and delivers solutions across HR functions, technologies, and service models.
