Changes to course:

Courses are offered subject to demand. Future Learning Language School Ltd has the right to change prices, starting dates, course content and programmes at any time due to errors, omissions, change in expected student numbers and circumstances beyond our control. In such cases, you will be informed as soon as possible in writing. Where a major change is involved, a choice will be given of either accepting the change which will be of a comparative standard (if available), or rejecting it. If the latter applies, we will promptly refund all monies received.

Visa requirements:

It is the responsibility of the parent, guardian or agency to contact their local embassy (or other appropriate office) in good time in order to obtain any visas/entry documents required. No visa support documentation will be issued by Future Learning Ireland until course fees have been paid in full.

Travel details:

Once you have booked your course, please send us details of your flight/travel arrangements, at least 30 days before you are due to arrive. All unaccompanied students under 16 years of age must check the travel requirements of their airline and, when necessary, book the supplement for check-in assistance on departure.

Keeping in touch:

All students are required to phone or text home immediately upon arrival and we will assist your child to do this easily. All children have regular wifi and email access. We understand settling in can take a few days and we will support your child should this happen. The school has an emergency number that is available for students and parents 24 hours a day.

Health and insurance:

We enrol students on the assumption that they are in good health. Any pre-existing conditions and/or special dietary requirements must be communicated to us before arrival.

We strongly advise that all students and leaders appropriately insure themselves against the usual risks associated with overseas travel, e.g. personal accident or injury, ill-health (medical/hospital fees), cancellation, delay, loss of baggage or property etc., i.e. comprehensive travel insurance. All European students must also carry a valid EHIC (European Health Insurance Card).

Behavior:

Student ID badge must be worn at school and all excursions. Students cannot leave the residence or school or be absent from any lesson, activity or excursion without permission from the Centre Manager. Students must comply with the rules and code of conduct of the school. Any breach of these rules may result in the student being suspended or, in extreme cases, expelled at the parents' expense. No refunds will be made.

Laundry:

Washing is offered once a week. Dry cleaning can be arranged at extra cost.

Pocket money:

The cost of all daytime activities is included in the fees. Nevertheless students like to have pocket money for drinks, sweets and small souvenirs.

Loss and damage:

Students will be charged for any damage they cause during their stay. By completing this booking form parent or guardian accepts responsibility for any damage caused by the student and any resultant cost for repair or replacement.

Whilst every help and assistance is given to ensure that students' property is safe at all times, we do not accept responsibility for any loss of, or damage to, any property of students, including tablets and smartphones. We do not accept any responsibility for any loss or expense due to changes in public transport, weather, quarantine, sickness, strike or any other cause.

Marketing:

By enrolling on our course, the parents or guardians for the student, and the person responsible for the payment of fees, consent to the reasonable use of the student's details and achievements, including images or recordings of the student howsoever made, for promotional purposes. We must be notified in writing at the time of booking if you do not agree to any aspect of this.
