COLLABORATE MITIGATE ADVANCE

Managed Services & Solutions for Cloud & More Provided by Clearvision.

Experiencing a shortage of internal skills? Rethinking your collaboration strategy? We can help. Mitigate risk and maintain business as usual with managed services and solutions for the entire business, not just IT.

WE HELP TEAMS COLLABORATE BETTER BY PROVIDING NEW & EXISTING CUSTOMERS WITH:

- ▶ A Discovery Workshop to understand their requirements, and perform health checks on existing apps.
- ▶ Consultants to help implement and extend individual tools like Jira and Confluence.
- ▶ Experts to help kick-start their environment for immediate use of applications.

- ▶ Hosting for mission-critical tools in a safe and secure environment.
- ▶ Training to get the most out of the Atlassian Stack.
- ▶ Ongoing Support.

SOLUTIONS TO HELP TEAMS NOW & IN THE FUTURE

Whether you're yet to utilise the Atlassian Stack or you're already using it, our solutions are there to ensure work continues no matter the circumstances.

Invest in a strategy that will benefit everyone in the business. Atlassian tools are used by IT, Marketing, Sales and HR teams who work both remotely and on-site.
