

## CASE STUDY

# GOOD GEORGE BREWING

Jacqui Cribb  
General Manager

### How do you use Intuto? On what are you training?

- Team-Host Responsibility
- Welcome to the business
- Good George Beer and Cider
- Anytime new product comes on board
- Health and Safety

### Have you found Intuto easy to use?

### What prompted your interest in Intuto/online training? What situation or problem did you need to solve?

Came via another Manager who has heard of it.  
We had an old clunky program and Intuto is so much easier to work with.

[intuto.com](https://www.intuto.com)

Intuto, the training platform of choice for 1000's of people each year.

## How has Intuto Improved your business?

We have better records of where each person is at (with their training) and who has passed. It is not time heavy to add in courses. The Support from Intuto is quick and responsive.

## Intuto helps me ...

- ✓ Save time
- ✓ Increase revenue
- ✓ Be more productive
- ✓ Be consistent
- ✓ Share information
- ✓ Track and improve training
- ✓ Maintain compliance in
- ✓ Health & Safety or other areas
- ✓ Make training easy for my staff

## Would you recommend Intuto to other businesses?

## Would you like to add anything else?

We find the change to Intuto well worth it and very easy to use.
