## Lunchtime

Bell ringing  
Hey everyone (spoken)  
It's time for L.U.N.C.H  
Cos' lunch spells time for food

I can't wait  
Where's my plate  
My stomach is so empty

Got to eat  
What a treat  
I see that there is plenty

I'm in the mood for food  
Thank goodness that it's lunchtime  
We're in the mood for food  
Thank goodness that it's lunchtime

Where's my knife  
Where's my fork  
This meal looks so delicious

Smells so good  
Tastes just right  
And they say that it's nutritious

I'm in mood for food  
Thank goodness that it's lunchtime  
We're in the mood for food  
Thank goodness that it's lunchtime

There's no time like lunchtime  
Lunchtime is the best  
So let's get on with eating  
Then we'll have a rest

There's no time like lunchtime  
Lunchtime is the best  
So let's get on with eating  
and then rest
