## Ready, Steady, Go!

A race, a race around the world  
Africa, Egypt, India, China  
So many places  
So many faces

Up, up, up in our balloon  
We drift, drift, drift in our balloon  
Cross mountains  
Cross rivers  
Across the whole wide world

But don't forget  
It's a race  
A race, a race around the world  
Australia, Brazil, Mexico, France  
So many places  
So many faces

Up, up, up in our balloon  
We drift, drift, drift in our balloon  
Cross mountains  
Cross rivers  
Across the whole wide world

But don't forget now  
It's a race  
A race, a race around the world  
America, England, Italy, home  
So many places  
So many faces

Up, up, up in our balloon  
We drift, drift, drift in our balloon  
Cross mountains  
Cross rivers  
Across the whole wide world

I love flying in our balloon  
But I really love coming home

We are by your side!
