Carnival fever

Brazil

Home of the samba
Beaches and jungle
Cities and culture

Carnival fever

Feel it taking over
Beautiful people
Celebrating life

We're partying non-stop
Come on, come on, keep dancing
We'll party till we drop
We're making friends
We're partying non-stop
Come on, come on, keep smiling
Don't let the carnival
Ever end

Music

Singing and laughing
Colourful costumes
Spectacular fireworks

Carnival fever

Feel the temperature rising
Lost in the rhythm
That makes you feel alive

We're partying non-stop
Come on, come on, keep dancing
We'll party till we drop
We're making friends
We're partying non-stop
Come on, come on, keep smiling
Don't let the carnival
Ever end

We are in this together
