

## Heart of a Warrior

Warrior, keep standing tall  
Brave and proud, your heart and soul  
Warrior, keep standing tall  
Brave and proud, your heart and soul

Heart of a warrior  
I feel it beating strongly  
Soul of a wanderer  
I'll always be nomadic  
Mind of an elder  
To always search for knowledge  
Blood of the Maasai  
It makes me stronger, faster

### CHORUS

Brave and proud  
Maasai people  
Shout it loud  
Can you hear us roar?  
Brave and proud  
Always strong, always smiling  
We'll never fail  
Never let you down

Courage, bravery  
I'll never show I'm frightened  
Pride for my family  
To stand up tall together  
Trust in my people  
It gives me confidence and...  
Strength to keep fighting  
I'll always try my hardest

We are in this together
