

Healthcare
is a Mess

It leaves you
feeling Helpless

It costs
too Much

23 years ago our founder, Dr. Tony Dale, was misled on the cost of his knee surgery. He took control and negotiated his medical bill down to a fair amount. Ever since then, we've been helping others do the same.

Karis Cost Containment Services

Karis Bill Negotiator®

A bill negotiation service employing a unique strategy consisting of direct negotiation, reference-based repricing, and financial aid assistance to drive savings.

Karis Healthcare Navigator®

A concierge-style navigation service guiding members through a confusing healthcare system and driving cost savings while ensuring quality care.

Since 2007, we have reduced bills
by **44%**, saving **\$384 Million +**
