

I PROMISE TO

What You'll Need

- Construction paper or notebook paper
- Materials to make the Earth - be creative
 - Examples: paint, paper, tissue paper, crayons
- Pen or pencil
- Glue or double-sided tape
- Scissors

What You'll Do

1. Use a sheet of construction paper as a background for your project.
2. Use material of your choice to make the Earth.
3. Use glue or tape to secure your Earth to the background paper.
4. Think about what you will promise to do to help the Earth in the upcoming months.
5. Attach a piece of notebook paper beneath your Earth.
6. Use pencils and pens to write "I Promise To..." on top of the paper.
7. Beneath it, write something you will do within the next 6 months to help the Earth.
