BRITISH 
MOTOR
 **MUSEUM**

Interactive Museum Sessions

Interactive Museum Sessions combine a Museum tour with facilitated activities based around our Collection, led by members of the Education Team.

£8 PER PUPIL

MAX PUPILS
90
PER DAY

Journeys through Time EYFS, KS1

Curriculum Links: History

Experience what it was like to drive on Victorian roads, through exciting costumed role play and a tour along the Museum's 'Time Road'.

History of Transport KS2

Curriculum Links: History

Learn about the local history of the motor car and its development through a guided tour of the Museum, role play and an object handling session.

£9.50 PER PUPIL

MAX PUPILS
45
PER DAY

Engineering Apprentices* KS2, KS3, KS4

Curriculum Links: PSHE, Citizenship

Explore the role of a Formula 1 pit crew and use your engineering and team skills to race a Jaguar D-type remote control car around our track. This programme can be tailored to KS5 or adult learners.

For more information visit the website or contact our bookings team on 01926 649649.

* In association with Jaguar Daimler Heritage Trust

For more information about all our school programmes visit britishmotormuseum.co.uk/schools

Hands on Workshops

Themed workshops led by members of our Education Team that encourage pupils to take part in active learning in the Museum.

£8 PER PUPIL

MAX PUPILS
90
PER DAY

Materials & Movement EYFS, KS1

Curriculum Links: Science, Citizenship

Discover the materials that are used to make cars. Pupils will learn about different materials and movement through role play and a LEGO® car building challenge.

Fashion vs Function EYFS, KS1, KS2

Curriculum Links: Art and Design, Design & Technology

Explore how cars are designed for different purposes and become a car designer for the day. Create a 'personalised' cut out Land Rover using our special worksheets.

Discovering Forces KS2

Curriculum Links: Science, Citizenship

Explore the different forces that act on vehicles and how they affect movement. In teams, pupils will take part in our car design and building challenge using LEGO® bricks.

£9.50 PER PUPIL

MAX PUPILS
60
PER DAY

Ready, Salt, Go! KS2, KS3

Curriculum Links: STEM, Citizenship

How can we power the car of the future? Join the Professor and become scientists for the day in this interactive, narrative immersion activity where pupils will build a car powered by salt and water.

Self-led Visits

FROM **£6** PER PUPIL

Self-led visits are suitable for all Key Stages and allow you to create a day that fits with your current topic. Visit includes coach parking, greeting on arrival and allocated lunch space.

MAX PUPILS
90
PER DAY

Add on Activities

£0.50 PER PUPIL

Ride in a Classic EYFS, KS1, KS2

Take a trip around the grounds in a classic car and experience what it was like to travel in style in the early 20th Century.

British Motor Museum Quiz KS1, KS2

This self-led quiz allows pupils to become history detectives for the day while learning about the British motor industry.

Object Handling KS1, KS2

Become a curator for the day! Learn how to handle Museum objects while exploring our exciting motoring collection.

Cut out Cars EYFS, KS1, KS2

Pupils will design and make their own car from a choice of a Mini, Land Rover or Jaguar.

Maths Challenge & Science Challenge KS1, KS2

These challenges will test pupils' maths and science skills using the British Motor Museum's collection as inspiration!

We can help cover the cost of your transport to the Museum!

“The travel grant makes our visit from such a distance possible rather than just a dream and allows us to make the very most of the facility you have to offer.”

Grants of up to £300* are available to schools to help with the cost of coach travel to the Museum.

Applying for the grant is simple. Just book one of our programmes, let our Bookings Team know that you are interested in the Travel Support Scheme, and we will help with the rest!

* Made possible through the support of Arts Council England. Terms & conditions apply.

Self led visits are also available for adult learners.

Prices vary by Key Stage, for more details please see the website.

Your day at a glance

Most visits take place from 10am to 2pm. The maximum capacity for visits is 90 pupils* and we usually divide that into a maximum of 30 pupils per workshop session.

Workshop sessions are held in our purpose-built Learning Space and around the Museum.
