

GUARANTEED **POWER**®

ALWAYS ON.
ALWAYS READY TO WORK.

NO RISK
LOWER COST
GET CONTROL OF UP TIME

GUARANTEED POWER PLAN INCLUDES:

- Guaranteed Power for all Applications
- Custom Engineered Power Systems
- Dedicated Technicians
- Fixed Monthly Budget
- No More Unexpected Capital Costs
- Full Maintenance, No Unexpected Repair Costs
- Active Power Management
- RAAMS Patented Data Driven Decisions

BIG SAVINGS WITH BIG IMPACT

30%

**ANNUAL SAVINGS ON LIFECYCLE MANAGEMENT
AND NO RISK, NO SURPRISES - WE DO IT ALL!**

THE RIGHT TECHNOLOGY FIT FOR EVERY APPLICATION

No one else in the industry offers hybrid power solutions like we do.

POWER SOURCE

Lead-Acid Batteries
Thin Plate Pure Lead
Lithium Batteries
Hydrogen Fuel Cells

CHARGING SYSTEM

Battery Room Management
Opportunity Charging
Fast Charging
Hydrogen Fill Stations

ALWAYS ON. ALWAYS READY TO WORK.

YOUR POWER FLEET. MANAGED RIGHT.

ONE FIXED MONTHLY FEE covers battery and charger equipment, battery watering, battery washing, and equipment repairs.

Assessment

A complete assessment of your fleet and how it can run more efficiently.

Proactive Maintenance

Our state of the art monitoring system sends out technician alerts so service occurs before a problem ever arrives.

System Optimization

Our engineering team continuously monitors and improves your fleet's power.

Engineered Solution

Detailed power consumption and cost analysis drives design of hybrid power system roadmap.

Implementation

We implement a more streamlined approach - with no downtime for you.

Replacement Strategy

Your power system data and experience guides proactive planning and system upgrades.

NO RISK

CASE STUDIES:

ANY SIZE FLEET IS MAXIMIZED WITH GUARANTEED POWER

FORTUNE 500 FOOD COMPANY • 420 LIFT TRUCKS

Productivity Up by 93%
Improved Productivity with Longer Asset Life
Annual Savings: \$2.1 million

TIRE MANUFACTURER • 35 LIFT TRUCKS

Productivity Up by 36%
Improved Productivity & Less Assets
Annual Savings: \$.4 million

APPAREL • 104 LIFT TRUCKS

Productivity Up by 100%
Now One Battery Per Truck
Annual Savings: \$1.1 million

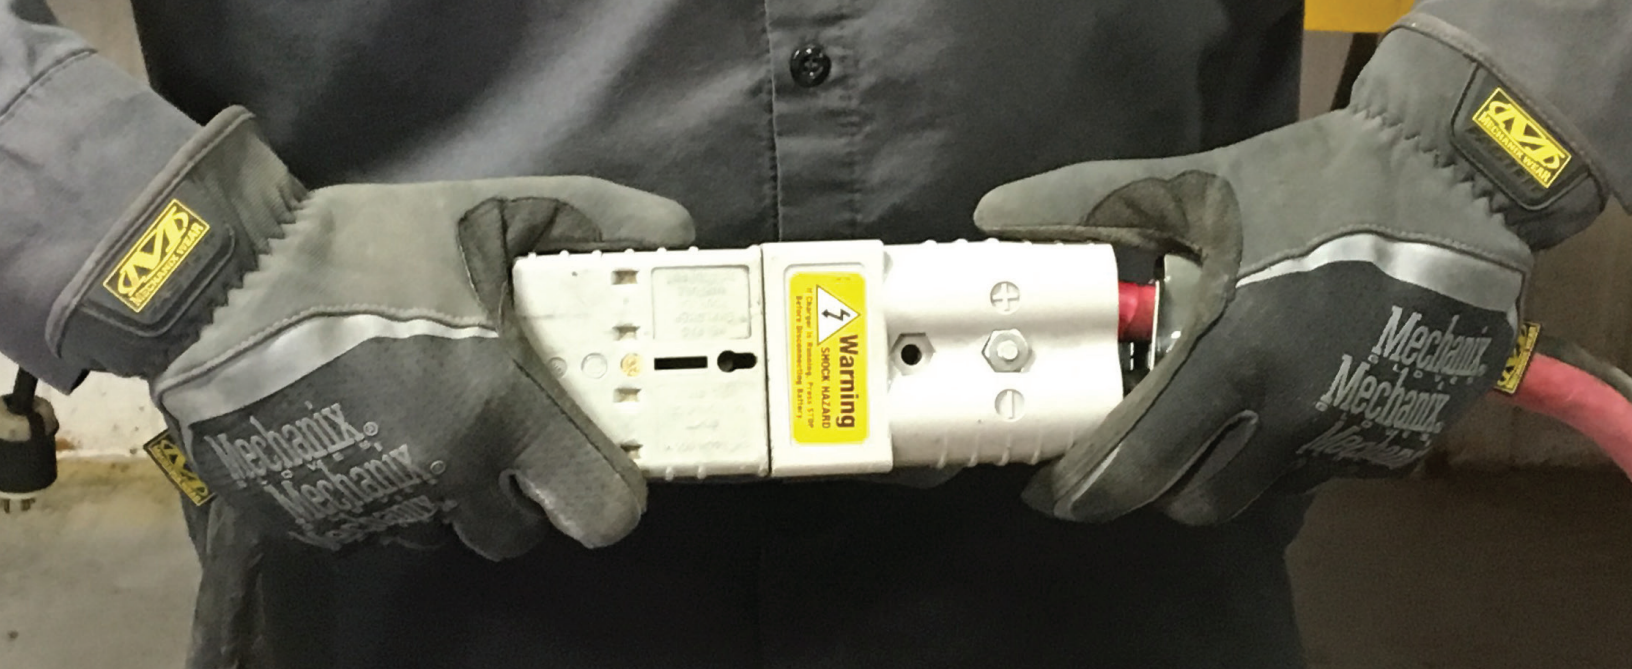

FOOD MANUFACTURER • 378 LIFT TRUCKS

Productivity Up by 46%
Less Battery Charges & Peace of Mind
Annual Savings: \$1 million

LP CONVERSION STORY OUTDOOR POWER EQUIPMENT • 153 LIFT TRUCKS

Cleaner Environment & Still Running
Annual Savings: \$.1 million

POWERED BY CONCENTRIC

CONCENTRIC'S GROUP OF COMPANIES ARE TRUSTED, PROVEN LEADERS in Forklift and AGV Power Management. Dedicated to getting customers out of the power business.

98% Customer Renewal Rate

Nationwide Service and Dependability

Thousands of Assets Under Management

Solutions for Dozens of Applications

Class 1-3 Forklifts, AGVs & Allied Equipment

ALWAYS ON. **ALWAYS READY TO WORK.**
