Submission Guidelines

Abstracts should be 200 words or less and describe what the non-commercial presentation will cover. Slide presentation materials must be provided in electronic format (MS PowerPoint) prior to the conference for review and approval. A presentation release form will also be required. If your abstract is accepted and you agree to submit a presentation, you are also agreeing to register and present at the 2020 ISA Process Industry Conference.

Submit abstract to:
https://www.xcdsystem.com/pcs/member

You will be notified via email that your abstract has been reviewed, accepted, or rejected by our technical committee. Abstract due date is 20 March 2020. Once accepted, a discount registration fee is required in order to participate and present.

Important Deadlines

Abstracts Due: 20 March
Abstract Acceptance: 10 April
Draft Presentations Due: 5 June
Reviewer’s Comments to Speakers: 10 July
Final Presentations Due: 2 October
Speaker Registration: 2 October

Critical Industry Trends & Challenges

- Reducing Lifecycle Costs
- Relationship Management
- New Hire Training
- Business Case for Automation
- Digital Oilfield Development
- Equipment Certification Standards

Process Control

- Alarm Management
- Automation Projects (PLCs, DCS & SCADA)
- Human Machine Interface (HMI)
- Intelligent Device Management
- Maintenance
- Model Predictive Control
- Operator Training
- Pipeline Automation
- Procedural Control Applications
- Process Optimization
- Smart Manufacturing with MES/MOM Applications
- Smart Sensors & IIOT

Cybersecurity

- Cybersecurity and Functional Safety Lifecycle
- Supply Chain Cybersecurity
- Best Practices in Cybersecurity Assessment

Advanced Technologies

- Open Architecture & Infrastructure
- Operator Performance/Operational Excellence
- Robotics & Intelligent Systems
- Industrial Robots & Robot System Safety
- Computing & Visualization
