CALL FOR ABSTRACTS

Submission Guidelines
Abstracts should be 200 words or less and describe what the non-commercial presentation will cover. Slide presentation materials must be provided in electronic format (MS PowerPoint) prior to the conference for review and approval. A presentation release form will also be required. If your abstract is accepted and you agree to submit a presentation, you are also agreeing to register and present at the 2020 ISA Process Industry Conference.

Submit abstract to: https://www.xcdsystem.com/pcs/member

You will be notified via email that your abstract has been reviewed, accepted, or rejected by our technical committee. Abstract due date has been extended to 24 April. Once accepted, a discount registration fee is required in order to participate and present.

Important Deadlines
Abstracts Due ............................................ 24 April
Abstract Acceptance ............................... 15 May
Draft Presentations Due ......................... 5 June
Reviewer’s Comments to Speakers .......... 10 July
Final Presentations Due ......................... 2 October
Speaker Registration ......................... 2 October

PROPOSED TOPICS

Critical Industry Trends & Challenges
• Reducing Lifecycle Costs
• Relationship Management
• New Hire Training
• Business Case for Automation

Process Control
• Alarm Management
• Automation Projects (PLCS, DCS & SCADA)
• Human Machine Interface (HMI)
• Intelligent Device Management
• Maintenance
• Model Predictive Control
• Operator Training
• Pipeline Automation
• Procedural Control Applications
• Process Optimization
• Smart Manufacturing with MES/MOM Applications
• Smart Sensors & IIOT

Cybersecurity
• Cybersecurity and Functional Safety Lifecycle
• Supply Chain Cybersecurity
• Best Practices in Cybersecurity Assessment

Advanced Technologies
• Open Architecture & Infrastructure
• Operator Performance/Operational Excellence
• Robotics & Intelligent Systems
• Industrial Robots & Robot System Safety
• Computing & Visualization
