CALL FOR ABSTRACTS

Submission Guidelines
Abstracts should be 200 words or less and describe what the non-commercial presentation will cover. Slide presentation materials must be provided in electronic format (MS PowerPoint) prior to the conference for review and approval. A presentation release form will also be required. If your abstract is accepted and you agree to submit a presentation, you are also agreeing to register and present at the 2020 ISA Process Industry Conference.

Submit abstract to: https://www.xcdsystem.com/pcs/member

You will be notified via email that your abstract has been reviewed, accepted, or rejected by our technical committee. Abstract due date has been extended. Once accepted, a discount registration fee is required in order to participate and present.

Important Deadlines
Abstract Due .............................................. Deadline Extended
Abstract Acceptance ...................................... 10 April
Draft Presentations Due ................................. 5 June
Reviewer’s Comments to Speakers ............... 10 July
Final Presentations Due ................................. 2 October
Speaker Registration ................................. 2 October

PROPOSED TOPICS

Critical Industry Trends & Challenges
• Reducing Lifecycle Costs
• Relationship Management
• New Hire Training
• Business Case for Automation

Process Control
• Alarm Management
• Automation Projects (PLCS, DCS & SCADA)
• Human Machine Interface (HMI)
• Intelligent Device Management
• Maintenance
• Model Predictive Control
• Operator Training
• Pipeline Automation
• Procedural Control Applications
• Process Optimization
• Smart Manufacturing with MES/MOM Applications
• Smart Sensors & IIOT

Cybersecurity
• Cybersecurity and Functional Safety Lifecycle
• Supply Chain Cybersecurity
• Best Practices in Cybersecurity Assessment

Advanced Technologies
• Open Architecture & Infrastructure
• Operator Performance/Operational Excellence
• Robotics & Intelligent Systems
• Industrial Robots & Robot System Safety
• Computing & Visualization
