Our People

ADVISORS

In a Berdon relationship, clients work with some of the leading minds in the accounting profession who work tirelessly to provide unique solutions tailored to their individual needs. Berdon professionals take the time to understand all aspects of a client's financial situation—recognizing the complex interplay between the needs and goals of the business, the family, and the individual. Focused on teamwork and collaboration, the Berdon Team works together to deliver value and help clients achieve their strategic objectives.
