

Media & Press Kit

Introduction

The AgMarket.Net team specializes in grain market knowledge as well as helping producers come up with risk management and grain marketing plans.

Please contact us to request our expert perspective on the markets, to book us for a speaking engagement, conference panel, or media appearance, or to lend a quote to an article or post. We're happy to lend our expertise.

OUR EXPERTS

Bill Biedermann

HEDGING STRATEGIST

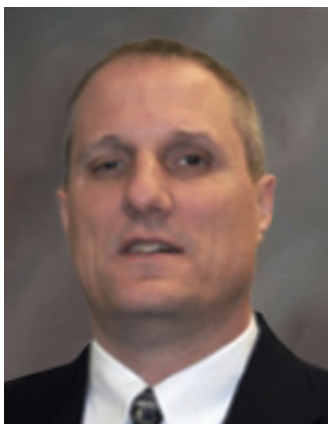

✉ bbiedermann@agmarket.net

☎ 815-893-7443

Bill Biedermann is a well-known speaker, presenter and advisor on commodities. In addition to trading commodities for 40 years of which 5 were in Chicago, he has testified before Congressional hearings, CFTC hearings, served for the US State Department AID, and has been invited to speak in nearly every corn growing state in the US and Canada. Bill co-founded one of the largest IB Brokerage and Agricultural Economic Research firms in the US.

Bill provides Agricultural research to traders, food companies and producers worldwide as well as executing futures and option orders on all major exchanges.

Bill graduated from Illinois State University with majors in Agricultural Production, Ag Economics and Ag Education and farmed from 1973-1988. Bill and his wife Penny have a passion for youth. They have 3 kids of their own, were very involved with youth ministry for many years. They now reside in TN.

Brian Postin

BUSINESS SUPPORT

✉ bpostin@agmarket.net

☎ 815-665-0464

Brian grew up on a grain and livestock farm in Illinois and received a B.S. degree in Mechanical Engineering from the University of Illinois. After 26 years in the corporate world, Brian returned to his roots and farms with his brother-in-law on the family grain farm. He also has a hay operation and raises specialty cattle with his son and son's business partners. Brian's primary role at Bennett Consulting is in the area of production cost/profitability analysis in addition to operations support.

Brian brings nearly 30 years of business and farm experience to the team to assist clients in developing and understanding their costs of production and the benefits of forward managing risk/profitability.

Brian and his wife Leigh live in rural Moweaqua Illinois. Brian has two children, Kolten and Kayleigh. In his spare time he enjoys work in ministry, outdoor activities, tractor restoration and spending time with family.

OUR EXPERTS

Brian Splitt

TECHNICAL ANALYST

✉ bsplitt@agmarket.net

☎ 815-665-0463

Brian Splitt brings a balance of long-term planning and risk/reward management to his clients. Brian began his career in the financial services industry in 2004 with expertise in insurance products, stocks, bonds, mutual funds and annuities. In 2007, Brian joined Allendale Inc where he transitioned to the commodity industry. He enjoys technical analysis of the markets, breaking down agricultural balance sheets and prides himself on the level of service provided to his clients. Brian is a regular contributor to US Farm Report, This Week in Agribusiness, RFDTV and AgriTalk After the Bell.

Brian is a decorated combat veteran of Operation Iraqi Freedom as well as a member of a Gold Star Family. Brian deployed to Iraq for the initial invasion in 2003 and spent several years training others while he served as a Marine Combat Instructor of Water Survival.

Brian enjoys spending time with his wife, Lauren, and their three children, Sophia, Justin and Brody. In his spare time Brian enjoys swimming, working out, marksmanship, coaching youth football and helping with Cub Scout Pack 266.

Jim McCormick

HEDGING STRATEGIST

✉ jmccormick@AgMarket.Net

☎ 815-665-0461

Before joining AgMarket.Net, Farm Division for John Stewart & Assoc., Jim was a senior broker with Allendale Inc. Jim has worked in the industry for 24 years as a registered commodity representative, servicing both commercial and individual trading and hedging customers. He specializes in designing effective hedging and trading strategies using combinations of forward contracting, futures and options for corn and soybean farmers and livestock producers. Jim is a widely sought-after speaker to give his insight on the agricultural markets. Jim can be seen on The US Farm Report, Ag Day, RFD-TV, This Week in Agribusiness, Fox Business News, and Rural Radio, as well as, radio stations around the US giving commentary on agricultural markets.

Before entering the futures industry, he was employed as a grain merchandiser for Central Soya in Indiana and Ohio. He has a bachelor's degree in Agribusiness Management from Purdue University and earned his Series 3 futures brokerage license in 1995.

Jim is married to his wife, Stacy and they have two children, Mason, a junior in high school, and Morgan, a seventh grader.

OUR EXPERTS

Matt Bennett

COMMODITY ANALYST

✉ mbennett@agmarket.net

Matt Bennett is a Windsor, Illinois, farmer and former grain elevator owner. He is Channel Seed's grain marketing consultant and holds a Series 3 brokerage license doing business through AgMarket.Net, Farm Division of JSA.

Matt brings the producer perspective to the table, enriched with his extensive grain marketing background. He specializes in formulating risk-management strategies for corn, soybean farmers and livestock producers.

Matt's analysis and commentary on the grain markets appears on various TV and radio stations across the Midwest, including "AgDay", "U.S. Farm Report" and "Agribusiness Today".

A graduate of University of Illinois, Matt and his wife Tiffany live on the family's centennial farm north of Windsor, where they are raising their five children. He owns and operates a 3,000-acre corn and soybean farm with his father while raising 60 head of registered Angus cows.

Ross Baldwin

HEDGING STRATEGIST

Ross Baldwin is from Anthon, Iowa. He grew up just south of Anthon on his families cattle feedlot, where they feed 3,500 head of cattle. Ross is still very involved in the family cattle feeding operation, where he feeds cattle himself. Prior to joining the AgMarket.Net team, Ross managed a private grain elevator, handling corn and soybeans for 6 years before working at Flint Hills Resources Arthur ethanol plant the last 3.5 years. He has several years of experience in commercial grain risk management and brings a true passion for helping livestock & grain producers manage risk and create value for their operations bottom line. Ross and his wife Kallie have two kids, Quinn and Brance, as well as a third child due in June of 2020. They live in Anthon and are very active members of their community.
