

NOW OFFERING TELEHEALTH TO SERVE OUR COMMUNITY

ABA Therapy can now be delivered via our secure, easy to use Telehealth platform on Google Meet

- HIPAA compliant
- Secure, encrypted end-to-end connection
- Easy to use, Google based platform

- Flexible: Our team will work with you to find a therapy format that works best for your child
- Clinically Sound: Continuing to provide evidenced based ABA therapy
- Consistency: Providing routine and consistency during this difficult time

Accessible via laptop, desktop, tablet or smart phone.

With remote access, clinicians can continue to document services.

Learn how we can help provide telehealth services for your family by filling out our online Intake Form or calling our Client Service team at 866-926-4345.
