Beginning this summer, Session 3 and 4 activity registrations will be staggered at the following

pools: Aviator, Jet Stream, and Filing 54. Why was this change made? Swim lesson levels are skill-based, not an age-based program. Staggering the registration at our larger facilities will help improve activity registration accuracy, in water program quality, and programming equity for all levels. We hope to offer the levels that will accommodate the skill of our participants in season vs. planning and guessing which level your swimmer will be at months ahead of time.
