Here is the blurb for our Eblast and our website regarding the Community Discussion about the Stapleton name....

On December 11, 2017 the MCA, SUN, the Citizens Advisory Board (CAB), the Stapleton Development Corporation (SDC), and the Stapleton Foundation will host a Community Discussion regarding the community name. Two opportunities for the community to provide input in-person regarding the community name will be made available on this date.

The meetings will take place in the MCA Cube at 8371 E. Northfield Blvd., from 1:30-3:30pm and 5:30-7:30pm. Dr. Nita Mosley Tyler will be the facilitator. At numerous meetings over the past several months, the available time for public comment has not been able to accommodate the number of persons wishing to speak about the community name. These meetings are an opportunity for in-person feedback for all who wish to provide it.

Thanks tons!
