

Job Title: Pool Maintenance Coordinator/Technician
Hourly
Reports to: Aquatics Director

Compensation: \$20-\$30

Job Summary:

The Pool Maintenance Technician will perform highly skilled work in maintaining, repairing, and replacing mechanical, chemical, or hardware in the operation of 7 outdoor seasonal pools along with 4 fountains/water features. This position is a great opportunity for those looking for a fast-paced 40+ hr job in the spring and summer. The Pool Maintenance Coordinator/Technician position can be paired with Facility Maintenance in the fall and winter to be a full time year round benefited position.

Job Qualifications and skills required:

- Position requires an individual who is highly motivated, with technical skills and experience working in pool management.
- Facilities Management background preferred, with degree in Facilities Management or related experience.
- Ability to work under minimal supervision and assume responsibility for task initiative and completion.
- Ability to climb ladders at varying heights and well as the ability to lift heavy equipment.
- Strong team member and an ability to work well in difficult situations.
- Must be able to work more than 40 hours per week, as required, but particularly from April through September; including weekends and holidays.

Education and Experience Requirements:

- Proficient in the operation and maintenance of all pool equipment.
- College Degree or Technical Degree preferred.
- 3-5 years demonstrated Facilities Maintenance or related experience.
- Computer literate including MS Office and Internet protocols

Licenses/Certifications:

- Valid Colorado Drivers Licenses with a verifiable safe driving history.
- Certified Pool Operator (CPO) or Aquatics Facility Operator (AFO) Certificate required or must be obtained with six (6) months of employment.
