

WOMEN UNITED FIGHTS FOR QUALITY CHILD CARE

The largest monthly expense for a family with two young children is child care—costing more than health care or housing. Child care is a necessity for low-income families, as three out of four children in our state under age 6 have all available parents in the labor force.

CHALLENGES WORKING FAMILIES FACE:

8.6 days of work are missed each year per parent due to child care issues.

Iowa Women's Foundation

94.7%

of parents receiving child care assistance are working, but a raise of just 15 cents an hour could put them in jeopardy of losing benefits.

*Iowa Department
of Human Services*

\$10,131

is the average annual cost for an infant at a licensed child care center, which is more than the average annual tuition at an in-state public university.

Child Care Aware of America

WOMEN UNITED

COMMITMENT FORM

Your investment will improve the quality of early care and education for children in low-income neighborhoods. Women United also advocates for solutions that increase access to high-quality child care for at-risk kids.
