

United Way of Central Iowa Tocqueville Society

transforms our community by fighting for the health, education, and financial stability of all central Iowans. Tocqueville Society is comprised of our community's most generous and community-minded philanthropists: the individuals and families who annually contribute \$10,000 or more to United Way. These members contributed \$6.1 million to the 2016 United Way campaign. Over the past 32 years, Tocqueville Society members have given a cumulative \$66 million to create lasting change in central Iowa. United Way thanks the members listed below for making central Iowa a world-class community in which to work and live.
