Thank you for creating a lasting impact on our next generation!

United Way of Central Iowa’s Women United members believe that children deserve quality early care and learning opportunities starting at birth. In the 2018 United Way campaign, more than $1.6 million was raised to invest in proven strategies to ensure that children are ready for kindergarten and can succeed lifelong. United Way honors and thanks the Lead Women shown on these pages for their commitment in 2018. A special thank you to the Women of Tocqueville Society members.
