

# WHEN CARING WOMEN

# LIVE UNITED,

# CHILDREN'S LIVES IMPROVE.

*Because you're leading, children are succeeding!*

United Way of Central Iowa *Women's Leadership Connection* (WLC) members believe that a child's path to success in school and life begins at birth. Since 2002, WLC members have contributed dollars, influence and time to improve the network of quality early care and learning in central Iowa. In the 2017 United Way campaign, more than \$1.8 million was raised to invest in proven strategies to ensure children enter kindergarten ready to learn and succeed.

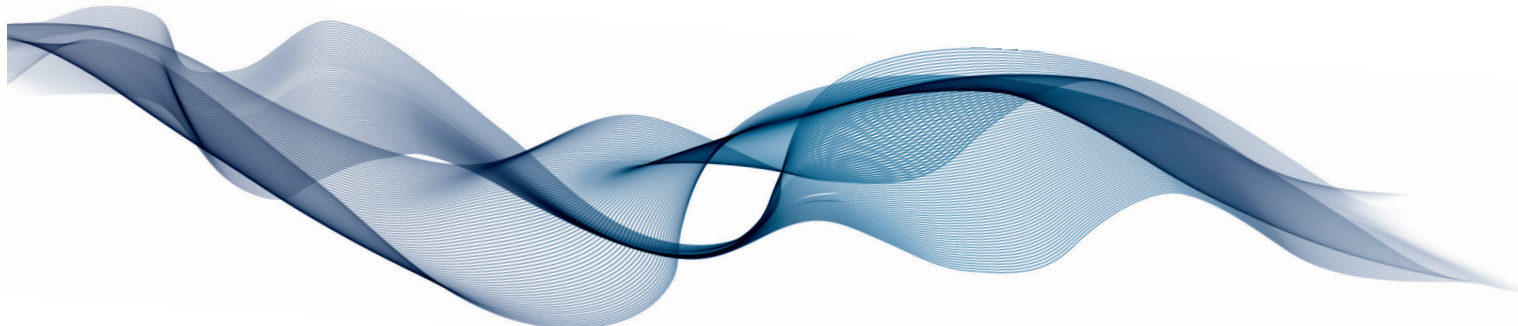

United Way honors and thanks the over 300 WLC Lead Women shown on these pages for their commitment of \$2,500 or more in 2017. A special thanks to the 80 members of WLC Women of Tocqueville Society for their generous commitment of \$10,000 or more.
