

Schools & Universities

The easy solution for all your secondary buildings.

Easi-Set will provide your school with safe, secure, and durable buildings. All of our buildings meet your specifications, and slice construction time when you need the job done fast. Looking to expand student capacity, there is no better option than Easi-Set precast concrete classroom. If you were a parent or student deciding between schools that offered trailers parked outside of the school or modular buildings with all the amenities, which would you choose? Easi-Set precast buildings come in standard and custom sizes with flexible design options. You have a number of door, window, lighting, HVAC, electrical, and plumbing choices. Precast concrete is known for its ability to imitate virtually any existing structure, matching your existing facility.

Auxiliary Classrooms • Restrooms • Concessions • Dugouts • Press Boxes • Ticket Booths • Security Shacks • Field Houses
