

“Make the first step into your Mobile Home safe”

The Benefits are “Cast in Stone”

There's no step quite like the unique, one-piece Leesburg Concrete Company Unit Step. Expertly cast with reinforced, high-strength concrete, our Unit Step is one of the strongest steps made. Practical and pleasing designs enhance any building entrance and improve property values. A Leesburg Concrete Company Unit Step is a durable, safe, and beautiful addition to any home, Mobile Home or Commercial Building.

- **Perfect for Mobile Homes, our Unit Steps can be installed quickly** and easily either on existing pads and walkways, or set on precast pads.
- **Our Leesburg Concrete Company Unit Step meets or exceeds all building codes**, including Local, State and Federal ADA requirements.
- **Our Leesburg Concrete Company Unit Step can be used immediately...** no waiting for forms to be built or concrete to harden.
- **Our one-piece Unit Step features closed sides.** This adds structural strength, minimizes site maintenance, and improves safety by eliminating unwanted crawl spaces for children, pets, and varmints.
- **Our Unit Step features bolt-on railings** manufactured to the highest standards for added strength, security, and universal fit. They are a perfect compliment to any dwelling.
- **Our Unit Step features a cast-in, anti-skid texture** that provides maximum safety while never requiring replacement or maintenance.
- **Our high-strength concrete is expertly cast** to provide a smooth, pearl-like finish for unmatched beauty and a lifetime of maintenance-free use.
- **Constructed of pre-cast concrete**, our Leesburg Concrete Company Unit Step features a strength and durability not found in metal or wood construction.

“The benefits of our Step Units are cast in stone”

Our clients share their story of quality, and convenience.

“Leesburg Concrete Company’s steps have made a beautiful and safe addition to many new homes in our park.

All new residents are highly encouraged to use these steps on the homes that they locate here. This enhances the beauty of our community and the security of our homeowners.

**Carriage Cove Mobile Home Park
Sanford, FL**

“At Vista Del Lago we were looking for a step that was visually appealing and consistent... and meets all of the code requirements. Leesburg Concrete Company has provided us a step that is that and much more.

We’re over 800-plus mobile homes in our community and growing at a rate of five to six units a week. Consistency and safety are big factors for us here, and Leesburg Concrete Company delivers. They’re efficient, dependable, and professional. I’d recommend them anytime!”
