### Program requirements

- To receive “five or more” level rebates, purchase five or more eligible Versiv units on a single invoice and trade in the corresponding number of DTX mainframes and remotes within 30 days.
- Only DTX models are eligible for trade-in
- Only one of each DTX may be traded in per Versiv unit purchased
- Purchases must be made during the periods indicated in the table above.
- Customers must have an active Gold contract in order to qualify for “Gold level” rebates
- Traded-in DTX does not have to have current Gold contract
- Gold for traded-in DTX (if any) will be “rolled up” to new purchases
- Cannot be combined with any other promotion

### To get your rebate

- Step 1:** Purchase an eligible Versiv model(s) with Gold during the periods indicated in the table above
- Step 2:** Print out the rebate claim form available at [www.flukenetworks.com/DTX2Versiv-Trade-In-Form](http://www.flukenetworks.com/DTX2Versiv-Trade-In-Form), complete it and ship it with your eligible trade-in unit(s) and a copy of your purchase invoice within 30 days of purchase.
- Step 3:** Fluke Networks Gold Support team sets up Gold for the new Versiv and “rolls up” the value of the remaining Gold from your trade-in unit (if any) to that term and sends you rebate check as shown above. Please allow 8-10 weeks for processing.
