jobtrain
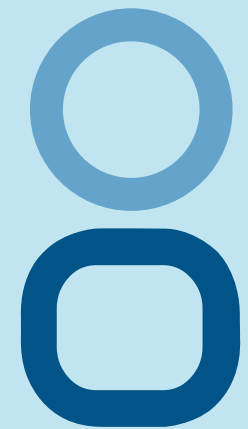

Pioneering **ONLINE RECRUITMENT** software

Jobtrain's **APPLICANT TRACKING SOFTWARE** is designed to work for you to **SUPPORT, MANAGE** and **AUTOMATE** your recruitment processes with **SECURE,** highly intuitive, leading edge technology.

Discover how and where Jobtrain's candidate management system will support you at every stage of your hiring process.

WELCOME to **JOBTRAIN**

1 PLANNING and APPROVALS

TAILORED ACCESS FOR HIRING MANAGERS

With Jobtrain, your hiring managers can have their own relevant, easy to use and **fully tailored real-time access.**

ONLINE VACANCY AUTHORISATION

Streamline your vacancy approval processes to save everyone time and ensure new roles are approved, advertised and hired **without costly delays.**
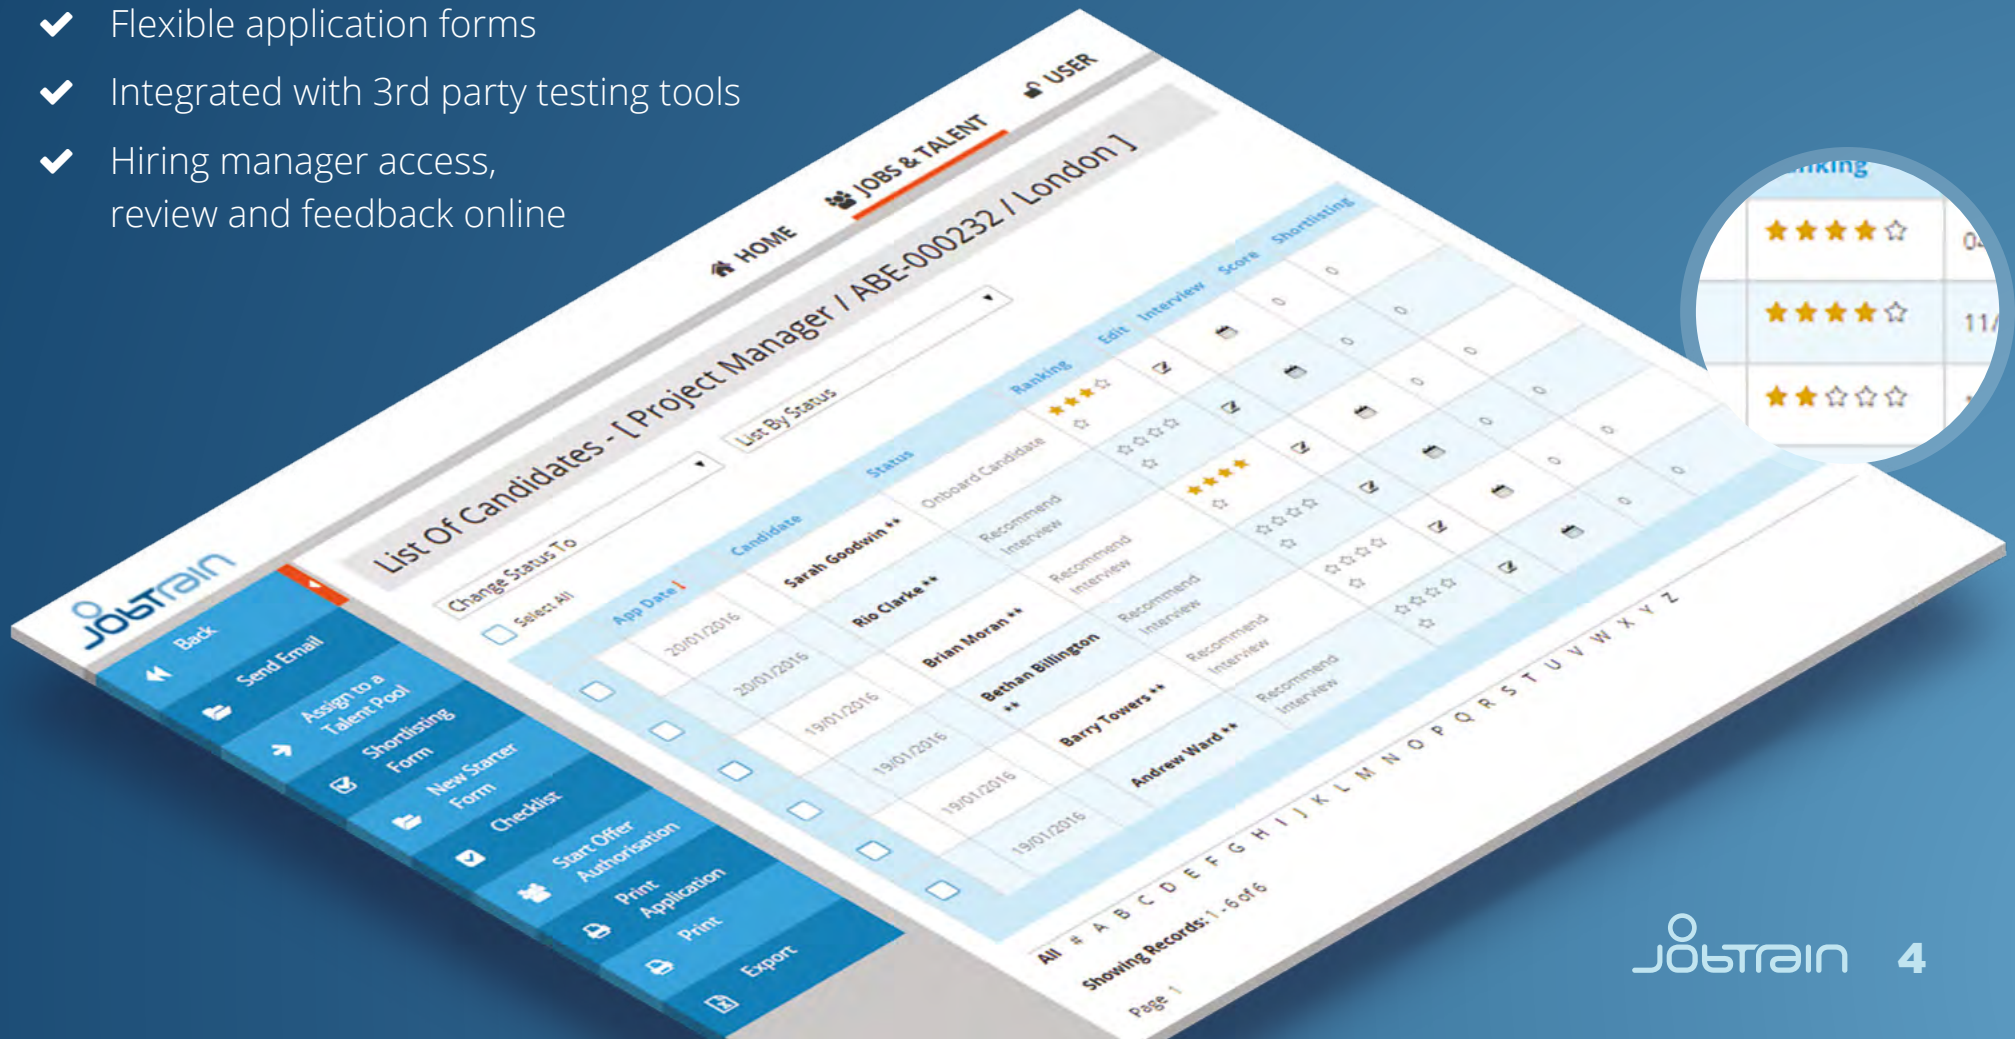

2 ★★★★☆
REVIEW, SCORE and SCREEN

Identify the star applicants **quickly and easily**, screen out unsuitable candidates and deliver a seamless platform for collaborative feedback. Jobtrain's applicant tracking systems **makes scoring and screening effortless.**

✔ Killer and scored questionnaires

✔ Flexible application forms

✔ Integrated with 3rd party testing tools

✔ Hiring manager access, review and feedback online

3 The CANDIDATE EXPERIENCE

Video interview integration

Clear communication is key throughout the recruitment process, to keep everyone **informed at all stages** – Jobtrain ensures everyone stays updated every step of the way!

Email and text messaging

Self-service interview booking

SEARCH
and APPLY

An intuitive, **job search and application process** for your candidates is vital for successful hiring.

We work hard to ensure your (Jobtrain powered) candidate process adopts your brand, is simple to use and works **seamlessly,** whether they're using a computer or a mobile.

Simply post jobs, using Jobtrain to your external and internal careers pages, social media, job boards and agencies to ensure they reach as wide an audience as possible.

Adopts your brand

Share via social media

Made for mobile

4 CANDIDATE HIRE

You've found your **perfect candidate** and of course you want them onboard yesterday.

Jobtrain's **applicant tracking software** is designed to take the pain out of the necessary but traditionally lengthy pre-employment checks and onboarding processes.

- ✔ Offer authorisation
- ✔ Integration with your HR software
- ✔ Self-service online onboarding
- ✔ Referencing
- ✔ Pre-employment checklists and integrated DBS checking

PRO-ACTIVE
hiring

Jobtrain provides unlimited phone and email support every step of the way for all users and candidates too.

This is all delivered from our UK offices, by HR and recruitment specialists, not just technology experts.

FULLY SEARCHABLE CANDIDATE DATABASE

All our solutions allow you to **search** and **find candidates** and their information with ease.

TALENT POOLS

Ever found yourself racking your brain trying to remember the name of the fantastic sales consultant you spoke to 5 months ago? Jobtrain's **talent pools** have been created to ease your pain.

PRO-ACTIVE
hiring

INTELLIGENT SEARCHING AND MATCHING

Can you imagine your applicant tracking system automatically finding you **talented and relevant people** to approach for your jobs even before you've advertised? Imagine no more, welcome to Jobtrain **Smart Search and Match!**

MANAGEMENT INFORMATION

Time to hire, advert source, diversity data – whether you want to see data at a glance, run standard reports, create complex **custom reports** or drill through the data and send to Management at high noon on the first of each month, we've got your metrics covered in Jobtrain.

✔ Dashboard reporting
✔ Standard reports
✔ Business Intelligence and Report Building

Why **JOBTRAIN?**

With over **15 YEARS' EXPERIENCE** in delivering applicant tracking systems and support services, we work with companies large and small **ACROSS ALL SECTORS** and locations to deliver intuitive, effective, **FLEXIBLE AND FULLY SUPPORTED** online recruitment software.

As a company and a team we share a common DNA of many of us coming from corporate HR and recruitment backgrounds, which provides us with relevant experience, insight and understanding to develop and help deliver effective solutions for our clients.

The **TECHNICAL** stuff

Jobtrain is hosted in The Cloud and accessing Jobtrain couldn't be easier. All you need is access to the internet and you're off; it doesn't matter if you're using a PC, Mac or a tablet!

Our implementation team is highly experienced – you'll be in excellent hands and up and running in just weeks.

We take the **security** of our solutions and your data VERY seriously! Our UK based Cloud hosted solution is **ISO 27001** certified (the main Information Security standard) and the security of our solutions is independently tested regularly.
