

IS YOUR LIVE AUCTION OPTIMIZED?

This Auction Optimizer is designed to help identify hidden risks in your Live Auction. If you answer 'Yes' to all of these questions, then your auction is optimized. If you answer 'no' to some questions, that doesn't mean you're wrong; it just means that there might be another perspective you should be aware of. Happy Fundraising!

We love helping our nonprofit partners exceed their fundraising goals. Our team of talented auctioneers and gala consultants is here to support you whenever you need us.
