

Plant 3D on BIM 360 Design Hackathon Terms and Conditions

Drawing Files and Content

By registering for the Plant 3D Hackathon (the Event), you understand and agree that all files or content uploaded are free and clear of any intellectual property or copyright claim. By uploading any content, you are agreeing to assign, license, and grant Applied Software all right and license to the files, content, or intellectual property.

Removal of Applied Software IP

You understand that by participating in the Event, you agree to remove all content, project-related and otherwise supplied by Applied Software from your machine within 30 days following the last day of the Event, and that you will not copy, duplicate, distribute, or reproduce any of the intellectual property, documents, files, or data.

Recordings

You, by registering for the Event, hereby irrevocably grant to Applied Software and its affiliates (collectively, "Applied Software") the non-exclusive right to make audio, video, photographic, or other recordings of Model and/or artistic or computer renderings, simulations, or silhouettes of me (collectively, the "Renderings"), which may feature or simulate my name, voice, likeness, image, gestures, mannerisms, signature, written or spoken words, biographical information, or other aspects of my persona (collectively, the "Depiction") and to use the Renderings and Depiction (collectively, the "Items"), in connection with Applied Software conferences such as MEP Force ("MEP Force"), and Applied Software sales conferences (collectively, "Conferences") and on the terms described herein (collectively, the "Rights"). The Rights include but are not limited to the rights to advertise, promote, publicize, reproduce, perform, display, distribute, transmit, exhibit, make derivative works of, and otherwise use the Items, or any part or derivative thereof, alone or as part of the materials, at no charge, worldwide, and in all media and by all means (now known or hereafter devised), without limitation, including print publications, the internet, video or audio broadcasts, and slideshows. These Rights expire on January 1, 2021.

Modifications: To the maximum extent permitted by law, Applied Software reserves the right from time to time (and you acknowledge that Applied Software may) modify these Terms and such modifications shall be subject to the terms and conditions set forth in Section 21.2 of the Applied Software Terms of Use.

BY ACCEPTING THESE TERMS AS INDICATED BELOW, YOU BECOME A MEMBER OF THE APPLIED SOFTWARE FEEDBACK COMMUNITY AND CONFIRM YOUR ACCEPTANCE OF THESE TERMS FOR THE DURATION OF THE PROJECT.

By entering your current email address and clicking the "I ACCEPT" button below, you agree that (a) you would like to participate in the Applied Software Hackathon, (b) you have read, accept, and consent to the Terms and (c) you acknowledge the Applied Software Privacy Statement and agree to the use, processing and storage of your personal data in accordance with the Applied Software Privacy Statement (including cross-border transfers as described in this policy). If you DO NOT AGREE to the terms above, exit this webpage by closing this window in your web browser.
