THE FASTEST AND EASIEST WAY TO GET PAID

So Much More Than a Payment Gateway

Fusebill Payments delivers fully integrated payment processing through the Fusebill subscription billing and management platform. Fusebill Payments enables you to accept and process online payments directly through your Fusebill account, and because Fusebill Payments is completely integrated into your subscription billing system, you can:

- Manage your entire subscription life-cycle through a single system
- Reduce failed and late payments by up to 700%
- Decrease time spent on billing and payment processing by 80%
- And lower your total cost of ownership.

Everything Under One Roof

Fusebill Payments is so much more than just a payment gateway. Because Fusebill Payments is completely integrated into the Fusebill subscription billing and management platform, the entire process is streamlined and automated in ways not possible for a standard gateway.

When investigating a payment, all of the required information and data you need can be found and accessed through Fusebill rather than having to toggle between two separate systems. Customers enjoy single source reporting for gateway and cash reconciliation.

Your customers get the streamlined payment experience they're looking for and you get your money – faster.

Using Fusebill Payments means you have one team to call when you require support or have questions. No more bouncing between companies to get answers, your **Fusebill Customer Success** team is available to help you with all of your needs.
