UNIFIED COMMUNICATIONS, TEAM MESSAGING, FILE SYNC & SHARE

PanTerra Networks is a unified cloud service provider, delivering its family of secure, ultra-reliable, future-proof solution for SMB and Mid-market enterprises. PanTerra includes Streams, its business-class, HIPAA secure, ultra-reliable, futureproof unified cloud service that can be deployed world-wide.

Streams includes unified communications and team messaging infrastructure with a next-generation cloud-

based solution and **Smart-Box**, its HIPAA secure, enterprise cloud file storage, sync & share service.

With PanTerra's unified cloud service solution, enterprises gain the highest levels of security, scalability, reliability, availability, quality of service, service level agreement and support available, while significantly lowering their total cost of operations and IT administration complexities.

PanTerra's ConnectMe service represents a revolutionary new multi-media rich way businesses can communicate with their customers, prospects, co-workers and partners in a HIPAA-compliant environment! With a simple click of a mouse or a touch on a tablet, people will be able to connect to ConnectMe enabled businesses and communicate using voice, video, HIPAA-secure IM or even desktop sharing!

ConnectMe doesn't require any client software and runs on any HTML5 compatible browser and broadband connection. Sessions can be initiated with a simple URL link which can be embedded in a webpage, Facebook/Twitter page or even in an email within a person's signature block!

ConnectMe HD Video Conferencing includes:

- ConnectMe supports audio, video, IM and desk share services unified into a single HIPAA-compliant client-less browser interface
- Supports unlimited users and 1080p resolutions
- Supports ad hoc or scheduled ConnectMe sessions
- Supports one to one or conference modes

ConnectMe users can initiate a one-to-one session with another person or bring together multiple people in a multi-media rich video conferencing session supporting an unlimited number of participants. And multiple participants can share their desktop or presentations simultaneously! ConnectMe takes collaboration to the next level. Sessions can be initiated ad hoc at any

time or scheduled on a calendar as a one time or recurring event.
