## UCaaS for the Entertainment Industry

PanTerra can save you over 75% on your current communications costs while providing all the benefits of cloud-based Unified Communications.

### UNIFIED COMMUNICATIONS, TEAM MESSAGING, FILE SYNC & SHARE

PanTerra Networks is a unified cloud service provider, delivering its family of secure, ultra-reliable, future-proof solution for SMB and Mid-market enterprises. PanTerra includes Streams, its business-class, HIPAA secure, ultra-reliable, futureproof unified cloud service that can be deployed world-wide.

**Streams** includes unified communications and team messaging infrastructure with a next-generation cloud-

based solution and **SmartBox**, its HIPAA secure, enterprise cloud file storage, sync & share service.

With PanTerra's unified cloud service solution, enterprises gain the highest levels of security, scalability, reliability, availability, quality of service, service level agreement and support available, while significantly lowering their total cost of operations and IT administration complexities.

PanTerra

When your production company needs to communicate a change in location to the talent you've just hired, how do you get the word out? With PanTerra, simply send a group instant message and, voila, everyone has the information delivered to their unified command center or mobile device. Never again wonder whether your message was received by all parties at the same time and with the same information. Need to start a video conference on the fly? Go to PanTerra and launch a ConnectMe™ HD video conference and invite whoever needs to be in the meeting – on- and off-net.

### User Benefits:

- Dedicated DID phone numbers and digital FAX
- Desktop share integrated to quickly share ideas
- SmartBox – file sharing that communicates
- Instant message and visual presence with Unified Com-

mand Center for the entire company to stay in contact and aware of availability

- Mobile message and mobile call to keep in touch with people in the office and out in the field
- Video conferencing to on- and off-net users

### Keeping Costs Under Control:

- All communications from one provider for voice, email, conferencing, collaboration, voicemail, calendar, instant message, electronic fax, chat and mobile message
- No on-site hardware
- No long term contracts allow greater seasonal flexibility
- 24 hours a day, 365 days a year tech support
- Ability to scale up and down services as organization changes

### The PanTerra Advantage.

PanTerra can save you over 75% on your current communications costs while providing all the benefits of cloud-based Unified Communications, including instant access to services, infinite scalability and growth, elimination of on-premises hardware and software obsolescence, consistent reliable infrastructure for multiple locations, remote users and mobile workforce, maximum flexibility and futureproof continuous feature upgrades. PanTerra brings your communications infrastructure into the 21st century!
