UNIFIED COMMUNICATIONS, TEAM MESSAGING, FILE SYNC & SHARE

PanTerra Networks is a unified cloud service provider, delivering its family of secure, ultra-reliable, future-proof solution for SMB and Mid-market enterprises. PanTerra includes Streams, its business-class, HIPAA secure, ultra-reliable, futureproof unified cloud service that can be deployed world-wide.

Streams includes unified communications and team messaging infrastructure with a next-generation cloud-

based solution and **Smart-Box**, its HIPAA secure, enterprise cloud file storage, sync & share service.

With PanTerra's unified cloud service solution, enterprises gain the highest levels of security, scalability, reliability, availability, quality of service, service level agreement and support available, while significantly lowering their total cost of operations and IT administration complexities.

PanTerra provides an effective and efficient solution for federal, state and local government agencies that need to deliver more for less. PanTerra's completely cloud-based solution eliminates upfront capital requirements and provides maximum flexibility in deployment and maintenance. Agencies benefit from additional unique PanTerra industry leading service benefits and all inclusive communication services eliminating on-site IT staff requirements. With PanTerra, you can get all your communications services from one vendor.

User Benefits

- Dedicated DID phone numbers and digital FAX
- Desktop share integrated to quickly share ideas across town or with recruitment groups
- SmartBox – HIPAA compliant enterprise-level file sharing that communicates
- Company email, calendar and antivirus services

**CONTACT US FOR A
DEMO TODAY!

- Instant message and visual presence with Unified Command Center for the entire organization to stay in contact and aware of availability
- Mobile message and mobile call to keep in touch with people in the office and out in the field

Keeping Costs Under Control

- All communications from one provider for voice, email, conferencing, collaboration, voicemail, calendar, instant message, electronic fax, chat and mobile message
- No on-site hardware
- No long term contracts allow greater seasonal flexibility
- 24 hours a day, 365 days a year tech support
- Ability to scale up and down services as organization changes
- Flat pricing for unlimited use for predictable cost budgets

Agencies will appreciate PanTerra's approach to all communications with no commitments. Not only do we provide a complete communication package from one outsourced vendor that includes an option for a secure MPLS network, but also eliminates all on-site hardware requirements lowering the total cost of use. By offering all you can use plans and use anywhere technology, PanTerra really opens the opportunities for these agencies to deliver the highest level of governmental services in the most professional manner without the headaches or worries of IT complexities. Communications simplified as a service.
