### UNIFIED COMMUNICATIONS, TEAM MESSAGING, FILE SYNC & SHARE

PanTerra Networks is a unified cloud service provider, delivering its family of secure, ultra-reliable, future-proof solution for SMB and Mid-market enterprises. PanTerra includes Streams, its business-class, HIPAA secure, ultra-reliable, futureproof unified cloud service that can be deployed world-wide.

**Streams** includes unified communications and team messaging infrastructure with a next-generation cloud-

based solution and **Smart-Box**, its HIPAA secure, enterprise cloud file storage, sync & share service.

With PanTerra's unified cloud service solution, enterprises gain the highest levels of security, scalability, reliability, availability, quality of service, service level agreement and support available, while significantly lowering their total cost of operations and IT administration complexities.

Lawyers, staff and clients' daily lives have dramatically changed over the years due to the increasing demands for instant information, mobile accessibility and competitive alternatives. PanTerra enables law offices to jump into the 21st century and address all of their demands by integrating with the communications requirements of antiquated technology without the need for IT staff, expensive equipment or additional headaches. PanTerra is loaded with features and benefits specifically designed for legal professionals and organizations while eliminating any need to understand anything about technology.

With PanTerra, you can provide your staff and customers with integrated and unified communications delivered through an easy to use SaaS for phones and recording, faxes, secure instant messaging, mobile text messaging, email, file sharing and calendaring from one vendor; thereby eliminating headaches.
