based solution and **Smart-Box**, its HIPAA secure, enterprise cloud file storage, sync & share service.

With PanTerra's unified cloud service solution, enterprises gain the highest levels of security, scalability, reliability, availability, quality of service, service level agreement and support available, while significantly lowering their total cost of operations and IT administration complexities.

# PanTerra

PanTerra Networks is dedicated to delivering a full range of communications services specifically designed and optimized for the mobile workforce of MMEs and enterprises. Getting your mobile workforce communications up and running can be a daunting task. PanTerra Networks has solved this problem with the introduction of our simply deployed, robust, cloud-based Unified Communications system.

**Reduce CAPEX with cloud-based services.** With PanTerra, CAPEX for multiple locations is a thing of the past. PanTerra services run in a reliable data center and are delivered to you "on-demand" through your existing data network.

**Unify workforce.** PanTerra solves your communications dilemma by unifying all of your communications needs. PanTerra provides a complete one-stop-shop for all of the communication, collaboration, file sharing, contact center and messaging services required to run your

company. Stop paying thousands of dollars to implement multiple communications systems and services that are never truly integrated. We've catered our Unified Communications specifically for you!

**Multi-location enterprise.** PanTerra connects all of your users through one, unified communications platform making collaboration with co-workers and clients around the globe seamless.

**Discovery.** We perform a detailed analysis of the call-flow and work-flow in your current situation to identify strengths and weaknesses in your existing system. Our Sales Engineers interview your administrators and managers to determine what departments and end-users would be affected by changes to the current system.

Eliminate the frustrations associated with all the expense and energy it seems to take to get a mobile worker or teleworker up

and running with PanTerra.

### The PanTerra Advantage.

PanTerra can save you over 75% on your current communications costs while providing all the benefits of cloud-based Unified Communications, including instant access to services, infinite scalability and growth, elimination of on-premises hardware and software obsolescence, consistent reliable infrastructure for multiple locations, remote users and mobile workforce, maximum flexibility and futureproof continuous feature upgrades. PanTerra brings your communications infrastructure into the 21st century!
