### UNIFIED COMMUNICATIONS, TEAM MESSAGING, FILE SYNC & SHARE

PanTerra Networks is a unified cloud service provider, delivering its family of secure, ultra-reliable, future-proof solution for SMB and Mid-market enterprises. PanTerra includes Streams, its business-class, HIPAA secure, ultra-reliable, futureproof unified cloud service that can be deployed world-wide.

**Streams** includes unified communications and team messaging infrastructure with a next-generation cloud-

based solution and **Smart-Box**, its HIPAA secure, enterprise cloud file storage, sync & share service.

With PanTerra's unified cloud service solution, enterprises gain the highest levels of security, scalability, reliability, availability, quality of service, service level agreement and support available, while significantly lowering their total cost of operations and IT administration complexities.

PanTerra provides the best of all worlds for non-profit and community assistance groups with our outsourced complete unified communication service. Our customers benefit from unique PanTerra industry leading service benefits, such as no capital required service model, no long term service contracts requirements and all inclusive communication services eliminating on site IT staff requirements. With PanTerra, you can get all your communications and IT staff from one vendor.

### Keeping Costs Under Control

- All communications from one provider for voice, email, antivirus, file sharing, calendar, instant message, electronic fax, chat and mobile message
- No on-site hardware
- No long term contracts
- 24 hours a day, 365 days a year tech support
- Ability to scale services up and down as organization
