high reliable data-centers and infrastructure as PanTerra's Unified Communications service, which means SmartBox delivers an industry re-defining 99.999% availability! With SmartBox, you can always be assured you will have access to your data and communications – anytime, anywhere.

File Sharing that Communicates.
Cloud storage is great for sharing content, but what happens after you share something? Do you play phone tag or email tag trying to communicate or collaborate with everyone? SmartBox provides business-class secure cloud storage, and simple file sharing with built-in communications and collaboration features. Users can upload files, create folders and share content with anyone, anywhere in the world. Files and folders can be accessed and synchronized with a variety of devices – including desktop, notebook, tablets and smartphones.

Communications and User Content Together.
Tired of searching for your voicemails, faxes, IMs and call recordings on separate systems? With SmartBox, all your communications content is available in one place, from the cloud, from any device, anywhere in the world.

Sub-Folder Sharing Flexibility.
Unlike other file sharing solutions, SmartBox allows you to share exactly what you want regardless of where the content resides. Whatever folder organization you create, just point to the file or folder and share it with whomever you want!

Anytime, Anywhere Super-Reliable File Sharing.
SmartBox utilizes the same super

Enterprise Secure File Sharing.
SmartBox takes file sharing security to another level with "virtual VPN" security, virtually eliminating unauthorized access to your sensitive content. And, with fully encrypted transfers, HIPAA compliance and hardened datacenters, SmartBox delivers the same level of enterprise security that thousands of PanTerra customers depend on every day.
