

Responsible Lending

ezbob is committed to the guiding principles of fair, equitable and responsible lending, and ensuring that all Customers are treated fairly, equally and have nondiscriminatory access to the offered services.

ezbob believes the providing its financial services should be made without regard to any of the following prohibited factors: race, color, ethnicity, religion, gender, marital or family status, sexual orientation or age.

ezbob follows the principles of responsible lending

- ✓ We provide a standardised explanation about the credit on offer
- ✓ We look at your business and offer you credit that we feel you can repay
- ✓ We check credit worthiness before offering or increasing credit
- ✓ We provide a clear repayment schedule. There are no hidden fees or charges
- ✓ Our customers can always make partial early repayments with no penalties
- ✓ We provide customer care for additional inquiries
