For additional information, feel free to review this Help Center article: [Which screenings are included in my background check package?](#)

As for drug screens, Checkr offers a fully comprehensive pre-employment drug screening program. A network of over 12,000 collection sites throughout the U.S. allows for easy access for all applicants. All tests are reviewed by a Medical Review Officer to ensure accuracy. Checkr offers 5 and 10-panel screens with collection.

If you'd like to see how your candidate will see the workflow when scheduling their drug screening, please click this [link](#).
