## Plant Process Component Solutions

A WORLD LEADER IN CATALYST SUPPORT MEDIA AND TOWER PACKING

### SUPPORT BALLS FOR MOLECULAR SIEVE DRIERS

- Christy Catalytics manufactures a complete range of inert support balls for use as both bed supports and bed hold downs in molecular sieve driers. Our history of supplying to the ethanol industry is a long and successful one.

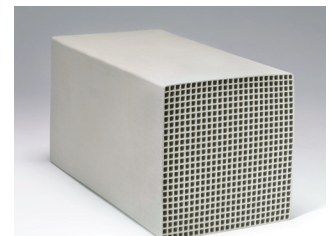

### TOWER PACKING AND INTERNALS FOR PACKED TOWER EQUIPMENT

- Christy offers a complete range of tower packing and associated tower internals in a variety of different materials of construction, sizes and configurations.
- We also offer associated column internals including bed supports, bed limiters, liquid distributors and mist eliminators.

### CERAMIC HEAT EXCHANGE MEDIA

- Christy offers both random as well as structured ceramic heat exchange media for RTO equipment.

CHRISTY HAS SUPPLIED MORE THAN 50 COMPANIES IN THE ETHANOL INDUSTRY INCLUDING:

- POET Biorefining
- Center Ethanol
- Husker Ag Ethanol
- Golden Triangle Ethanol
- Glacial Lakes Ethanol
- Al-Corn Ethanol
- James Valley Ethanol
- Gopher State Ethanol
- Chief Ethanol
- ACE Ethanol
- Big River Ethanol
- United Wisconsin Ethanol
